

Hosting Upgrade Appeal

Dear Visitor. The Tap has become increasingly busy and we can't stay online without your help. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. Please help if you can and donate a small amount towards the hosting costs. Your donation will make a huge difference. Thank you in advance. [Click here to donate](#)

Mike Stone – Can We Believe Anything in the MSM?

Sat 9:21 am +00:00, 28 Dec 2024

posted by ian

HenryMakow.com – Dec 25, 2024

“Literally everything being reported on television news today is a lie. But here’s the kicker: it works.

The drooling retards who watch Fox News, CNN, MSNBC, and all the others actually believe the bullshit they see on television. If they didn't, then none of the lies coming from the mainstream media would be happening.”

By Mike Stone – (henrymakow.com)

Are we being told the truth about anything?

In December alone, we were told that aliens from outer space were flying manmade drones, that a man named Luigi Mangioni assassinated an insurance company CEO, and that an invader from Guatemala set a woman on fire. But are any of those stories actually true? And what about the stories you weren't told?

A handful of days ago, the Attorney General of Guatemala confirmed that an orthodox Jewish sect in that country was raided for raping and murdering children. <https://abcnews.go.com/amp/International/wireStory/guatemala-authorities-raid-ultra-orthodox-jewish-sects-compound-117005867>

Less than 24 hours later, as if by magic, an illegal alien from Guatemala was arrested in New York for setting a woman on fire and the entire story about Jewish child rapists in Guatemala disappeared from the news cycle never to be seen again.

Coincidence, you say? Fair enough. However, the woman who was allegedly set on fire has not been identified – does she even exist? There are cameras in subway cars and at every terminal, why haven't we seen a picture of her face?

Meanwhile, the man accused of killing her, Sebastian Zapeta-Calil, has no memory of what happened. Is he another in a long line of MK-Ultra mind-controlled zombies?

Einstein Wrong and Special Relativity Revisited

The Assembly Rooms Glastonbury - Sunday 4th May 2025

Early Bird Tickets ~~£37.00~~ £30.00

[Tickets and Info](#)

We are told the speed of light cannot be exceeded. What if that is wrong? What if Einstein was wrong and the theory of General Relativity is incorrect? Could that open up a whole new world of possibilities? In May 2025 **The Alternative View** returns to Glastonbury where Roger Anderton will be asking those questions and putting forward an exciting new model.

THE ALTERNATIVE VIEW PRESENTS
